

John Porcari

John Porcari partners with senior executives and their teams to achieve transformational change in their organizations.

A trusted advisor, John works collaboratively with leaders to build high performing cultures and teams who are focused, engaged and equipped to achieve and multiply the success of the organization's mission critical business strategies and initiatives.

John has cultivated expertise through various leadership roles in his career, including: Senior Human Performance Executive for the global consulting firm Accenture, Human Resources Officer at Aetna Incorporated, and Director of Performance Strategy and Solutions at Five Star Development. John is a recognized expert presenter and facilitator, and has served as Distinguished Faculty for the Cleveland Clinic Physician's Academy and Lead Consultant for the University of Pittsburgh Health Sciences Leadership Academy.

“Often the most powerful learning and growth comes from the most challenging times - those “best experiences you never want to have again”.”
